

# QAF Questionnaires

- 1. Strengths and Difficulties Questionnaire with cares**
- 2. Child and Young Person Questionnaire with children and young people**

We acknowledge the Traditional Owners of this Land.

We pay our respects to Elders past, present and emerging and extend that respect to all Aboriginal people in the room today

# Outline

- ✓ Looking at questionnaires
- ✓ Introducing QAF questionnaires to carers, children and young people
- ✓ Responding to risk questions
- ✓ Saving results

# Lets have a go ..... together

# High risk safety Questions

## In teams

- Go to page 5 of your workbook
- Activity 1 – Home visit scenario, high risk answers from Jake
- You are sitting with Jake reviewing his answers – you notice the **two red high**
- **What do you do?**

# Talking to Carers about the questionnaires

## Introducing the SDQ questionnaire to the carer:

- Activity 2 – Page 7 of your workbook
- Read the flyers provided – Fact Sheet for Carer
- In pairs of one play the caseworker one the carer

# Introduce the Child and Young Person Questionnaire

Introducing the children and young person questionnaire to the carer and the CYP:

- Activity 2 – page 7 in the Workbook
- Now swap over and the caseworker introduces the questionnaire to the child or young person

# Scheduling with teams

- Break into casework teams
- Who will you be introducing to in the questionnaires in the next month?
- Who will you be completing questionnaires with in the next month?
- Book in

# Problems

## Who do I contact if I have problems with the Viewpoint system?

1. Refer to **Trouble Shooting Tip** in workbook – laminate for easy access
2. If you have **issues with your browser or device**, **contact your IT** people as per any other technical issue.
3. If you have **problems with the Viewpoint system**, **contact Viewpoint** directly for support on [helpdesk@vporg.com](mailto:helpdesk@vporg.com).
